CLEVELAND, OHIO
Summer 2004
Program Guide
©2004 Charlie Saber

# From the General Manager of WRUW...

Dear listeners,

The sun is shining. The grass, healthily growing, can be seen. The kids take a few fun months off of school. It's the start of summer here in Cleveland, and as you unfurl yourself from the blanket of the long winter, we hope that you grab your battery-powered or solar-powered radios and take them with you wherever you go so that you can continue to enjoy some of the great programming we have lined up for you this summer.

Inside, you'll find our usual unusual mix of rock, jazz, country, bluegrass, reggae, hip-hop, and otherwise to keep you listening as you partake of all the activity fun in the summer sun. Some of our old favorites are right where you've come to expect them, some have moved, and there are some new shows to check out too. So give this program guide a good look.

We want to thank everyone who recently pledged their support during our 2004 Annual Telethon. Thanks to your help, we've raised over $40,000 to support WRUW, making it one of our best years yet. Because of all that wonderful support, we'll be able to keep bringing you the great programming you expect of WRUW, and we'll be able to do so with a better air signal, and with higher quality audio. We're working day and night to make the station sound even better on Cleveland's airwaves.

Side-by-side with this endeavor to improve the sound of WRUW, we continue to work on the website, www.wruw.org and hope to have all sorts of new content available there throughout the summer. We'll be giving the website a new face, keeping it more up to date with the goings on of WRUW and even be adding some new features to it. So keep an eye on the website for some great changes just beyond the horizon.

As always, stop on over at the station at the end of the summer when we'll be hosting our annual Studio-A-Rama festival. As veterans of this event know, it's a great outdoor concert that we sponsor every year so that you can come out enjoy a full day of live musical acts and with one of the best price tags ever...FREE! We'll be lining up some great music across all genres through numerous live performances on the campus of Case Western Reserve University, and we leave it open for all to enjoy. We'll be announcing more details about this event soon, so keep your ears tuned to that, and make sure to come out and enjoy it at the end of the summer.

So enjoy the sun, stay cool this hot summer, and keep listening to WRUW-FM 91.1 Cleveland!

Jim Eastman
General Manager
